*Why Great Lakes Fitness?*: Great Lakes Fitness is a web application that connects personal trainers with clients seeking to better themselves and their health. Users will be able to search for trainers based on zip code, send requests to trainers, see past workout history and message trainers. Trainers will be able to set their availability, accept or decline requests, and message clients.

Great Lakes Trainers

Upcoming Workouts

accepted requests
will render here

so

if accepted = true for
the array of requests
for a certain trainer,
render it here

clients

any client with
associated requests
will appear here

All Requests

any requests to you
as a trainer

All data here because user clicked on trainer
